GRANT AT A GLANCE

The **Community Impact Grant** invests in local nonprofits creating measurable, lasting change in the Baytown area and Chambers County. Funding supports programs that advance United Way's four focus areas–building a healthy, educated, financially stable, and resilient community where everyone can thrive.

Focus Areas

Healthy Community	Youth Opportunity	Financial Security	Community Resilience
Access to healthcare, nutrition, and mental-health supports	Early learning, after-school, and college readiness	Financial education, workforce development, and affordable housing	Food, shelter, safety, and crisis stabilization services

Who Can Apply

Eligible applicants must:

- Be a registered **501(c)(3)** or qualifying public entity.
- Serve residents within United Way's **11-zip-code service area**.
- Provide **human services** aligning with at least one focus area.
- Demonstrate financial stability with CPA-prepared documentation.

Show collaboration, measurable outcomes, and the ability to track demographic data
