ALICE INITIATIVE: ADULTING 101

In partnership with Communities In Schools, United Way launched Adulting 101 to help high school seniors at Goose Creek CISD prepare for life after graduation. The financial literacy course covers real-world essentials like budgeting, insurance, taxes, and paying for college, with guest speakers from CRCU and more.

“Adulting 101 has given my students real-life knowledge they wouldn’t get elsewhere,” shared a CIS Site Coordinator. “It’s been a valuable, engaging program, and we looked forward to every session.”

Your Dollars in Action

Dr. Martin Luther King Day of Service

In January, more than 50 volunteers came together to honor Dr. Martin Luther King Jr.'s legacy through service. From planting 50 trees at Banuelos Elementary to helping students share their dreams through the MLK Dream Wall Project, volunteers helped create a more connected, hopeful community.

One student wrote:

"I think it's a really important thing to do, to help the community, and it is for a good cause. It was a good thing for our team to come do and help people out."

Thank you to everyone who gave their time, you showed our community that United is the Way.

Thank you to our Dr. Martin Luther King Day of Service and Read Across America Sponsors!
