80 YEARS MORE

On September 10, our community kicked off our 2026 United Way Campaign alongside community members and industry leaders over lunch at the Hyatt Regency and celebrated what your generosity makes possible.

During the 2025 campaign year, our community hit 100% of its goal, raising **$2,052,400**. Through our Community Impact Grant, our community invested **$1,275,000** in **21** local programs that provided support to **21,535** individuals across Baytown and Chambers County.

The celebration also recognized outstanding campaign partners, including ExxonMobil, Houston Methodist, Zeon Chemicals, Hearts and Hands, ONEOK, and Covestro. Also recognized were employee campaign leaders Laura Clinton and Sagan Greenville. Their dedication and continued support helped set the stage for another year of neighbors helping neighbors.

QUARTER 1 REPORT

United Way Updates

CLOTHING FOR KIDS CLOSETS

266 students were supported with clothing and hygiene essentials, responding quickly to a high level of urgent need. Most requests came from GCCISD, with 59% of students demonstrating increased attendance because of the assistance.

ELEVATING ALICE

81 unique students participated in Adulting 101, with quiz results showing a 56% increase in understanding of financial topics. Students will continue building skills in taxes, banking & insurance throughout the school year.

LITTLE FREE LIBRARIES

Our 29 active Little Free Libraries continued to spark a love of reading across the community, with 1,192 books shared. Thanks to generous donors, 2,010 books were contributed to keep shelves stocked.

MICE

The Making it Count Experience (MICE) at GiantCon engaged 250 educators over two days, providing a powerful, firsthand look at the challenges many ALICE (Asset Limited, Income Constrained, Employed) families face while balancing employment, childcare, transportation, housing, healthcare, and other essential needs. Through this immersive simulation, educators experienced the difficult decisions and unexpected obstacles that many students and families navigate every day. As one participating educator shared,

"It gave me an opportunity to experience real life in itself. It showed me what people go through on a daily basis, and it makes me want to help families and students."

This sentiment captures the purpose of MICE: building empathy, strengthening connections between schools and community resources, and empowering educators to better support the whole child.

UPCOMING EVENTS

DEC 1

Giving Tuesday

This Giving Tuesday, join United Way in spreading warmth and comfort by donating new pajamas to help children in our community feel cozy, cared for and loved.

DEC 8

Holiday Mixer Pajama Party

Join us for our Holiday Mixer and Pajama Drive as we celebrate the season of giving, connect with our community, and collect new pajamas to bring comfort to local students!

JAN 18

MLK Day of Service

Join United Way for MLK Day of Service as we honor Dr. Martin Luther King Jr.'s legacy by coming together to serve, strengthen our community, and turn compassion into action.
